With its truly original interior layout and an owner's version with what can finally be called a real owner's head, where the separate shower offers unequalled comfort, the LAGOON 380 is the pampered model of the line. The panoramic salon and galley connect directly with the cockpit. Its grand interior volume for a 38 footer veils the fast and seaworthy hulls, while the classic mooring system foretells the loveliest anchorings to come.

An owner's version of the beautiful Lagoon 380 S2 with all of the features of the 380 plus more.
