\$30 per day fuel charge, \$420 maximum				

THE BELIZE 43

Sunbathe on sizable trampolines forward or lounge in the bulky cockpit that seats up to ten guests under a fixed bimini. Every navigational aspect has been optimized: the helm station protected by a fixed plexi-glass screen, access to the gangways and under deck storage of halyards. The BELIZE is a foot longer than the VENEZIA and thanks to the work of the architect a gain in space, storage capacity and sailing performance has been obtained. Panoramic views from inside the salon and over 6.6ft of headroom throughout enhance visibility and comfort. U-shaped galley located upstairs adjacent to the salon has two refrigerators, one accessed from the top and the other by a door providing easy access and maneuverability. The curved line design inside the salon allows maximum stowage and ample cockpit seating around a central table. Enjoy a genuine owners suite with en-suite bathroom, office and desk space, oversized closets and complete privacy.
