### LAGOON 500

The Lagoon 500 is a luxurious new high-performance boat designed for ocean cruises that includes the innovative features that have made the Lagoon 440 a success.

### DESIGN

The Lagoon 500 was designed by Marc Van Peteghem and Vincent Lauriot Prevost, who have won a record number of awards for multiple-hulled boats (in 2004, boats they designed won the four first places in the famous English Transatlantic race), and benefits from the latest developments in naval architecture.
