MARLIN'S FANCY...

the second Lagoon 470 in our fleet, arrived here after completing the ARC (Atlantic Rally for Cruisers) from the Canary Islands to St Lucia. A truly wonderful and proven ocean cruiser, she is equally at home in the BVI's. With an amazing galley and sporting a fridge freezer that would make many much larger boats and their chefs proud she has served many happy guests this season. Another reason the guests are raving about her could well be the flat screen TV and Bose surround sound system in the salon! After spending this summer with her dedicated owner, she'll be back in charter just before Christmas 2005.

THE LAGOON 470

Taking her predecessor into consideration, the Lagoon 470 adds performance and below-deck luxury. Lagoons trademark vertical windows in the salon offers' panoramic visibility and steering is bulkhead mounted for maximum comfort and straightforward sailing. This charter layout boasts 4 bedrooms with 3 baths.

Accommodations

Galley up style to starboard with a table and settee to port in the salon seats eight to ten comfortably or dine "alfresco" in the cockpit under a sheltered bimini. Expect a bright, airy and clean feeling.
