Safe, fast and easily handled in all conditions by a small crew, the PRIVILEGE 435 combines traditional standards of workmanship with the very latest in ergonomic design and materials.

The interior layout is comprised of four double cabins, 2 single berths and four heads with showers which will accommodate eight guests with ease. The bright and well-ventilated galley has all comforts: oven, rings, cold cupboards (positive and negative).

The chart table table is to port, overlooked by two technical consoles, with the navigation instruments (automatic pilot, GPS-radar screen, etc.); the other with electrical switch panels and the resources indicators (water, fuel, generator, watermaker, etc.).

The deck saloon is divided into two distinct, complementary areas: to starboard a generous settee with a designer table form a dining room for a dozen guests, whilst to port, a sofa rests against a bar unit, which also houses the CD and DVD players.

The cockpit houses a large , exterior saloon, and the steering position.
